CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

2. It is imperative that only supporting documents with an **ORIGINAL** signature be submitted.
3. All signatures must be commissioned by an authorized Commissioner of Oaths. Failure to do so will result in the applicant **not qualifying** for registration.
4. Suppliers registered on the Suppliers Database **MUST** notify the Supply Chain Management Office of any changes to information provided in the initial eDumbe Local Municipality forms, as captured onto the Suppliers Database. Failure to do so may result in such a supplier being removed from the Suppliers Database and/or the cancellation of contracts awarded to the supplier, on the basis of misrepresentation.

5. Suppliers providing incorrect information or fraudulent in their eDumbe Local Municipality forms will be **disqualified** from bidding and **removed** from the Suppliers Database, in addition to any other action the Province may institute against such a supplier. Furthermore, in the event of the Province being prejudiced financially, it reserves the right to **take legal action** against the supplier.
6. For definitions of terminology used in this document, please refer to the definitions set out in Treasury Regulation 16 A and eDumbe Local Municipality's Supply Chain management Framework.
7. Any **alterations** made by the supplier to its own information inserted on this document, must be **initialled** by the supplier. The use of correcting fluid is prohibited and the use thereof will lead to non-registration of the applicant.
8. Reminding letters will be issued by the eDumbe Local Municipality to suppliers to update their information.
