NOTICE OF CANCELLATION OF TENDER

BID NUMBER: EDUMT10/2025/26

BID DESCRIPTION: FOR ELECTRICITY VENDING SERVICES (36-MONTH CONTRACT)

Notice is hereby given to all prospective bidders and the general public that the eDumbe Local Municipality has officially cancelled the above-mentioned tender with immediate effect.

The tender has been cancelled due to materially changed circumstances. The Municipality has undertaken a strategic budgetary and operational reprioritization to urgently address high levels of electricity theft, illegal connections, and energy losses. Consequently, the original scope of work for this project is no longer required in its current form, as financial and infrastructural resources are being redirected toward an accelerated Smart Meter replacement and revenue enhancement program.

The Municipality intends to re-scope and re-advertise a revised project aligned with these critical operational and turn-around objectives in due course.

The eDumbe Local Municipality regrets any inconvenience caused by this cancellation and thanks all bidders for the time and effort invested in submitting their proposals.

For any further supply chain management enquiries, please contact the office of the MM: mm@edumbe.gov.za
